VINQUIRY

Pipette Service Level III QTY: ____ \$35.50 Single Channel QTY: ____ \$60.00 Multi-Channel
 ♦ This service includes only “as left” data utilizing a 4-4-4 measurement structure (4 readings at 3 different volumes). This program is designed as a verification/validation service only.

Pipette Service Level IV QTY: ____ \$28.00 Single Channel QTY: ____ \$34.50 Multi-Channel
 ♦ This service includes only “as left” data utilizing a 1-1-1 measurement structure (1 reading at 3 different volumes). Multi-Channel instruments are assessed using only the center channel. The instrument is adjusted into tolerance and a leak check is performed. The certificates are handwritten and not generated electronically.

Pipette Service (Additional Test Points) QTY: ____ \$5.00 Single Channel

Points	Custom/Additional Pt(s) - Volume
