<input type="checkbox"/> Pipette Service Level III QTY: ____ \$44.00 Single Channel QTY: ____ \$94.00 Multi-Channel ♦ This service includes only "as left" data utilizing a 4-4-4 measurement structure (4 readings at 3 different volumes). This program is designed as a verification/validation service only.	
<input type="checkbox"/> Pipette Service Level IV QTY: ____ \$29.00 Single Channel QTY: ____ \$41.00 Multi-Channel ♦ This service includes only "as left" data utilizing a 1-1-1 measurement structure (1 reading at 3 different volumes). Multi-Channel instruments are assessed using only the center channel. The instrument is adjusted into tolerance and a leak check is performed. The certificates are handwritten and not generated electronically.	
<input type="checkbox"/> Pipette Service (Additional Test Points) QTY: ____ \$5.00 Single Channel	
Points	Custom/Additional Pt(s) - Volume
